Vets, Pets & Regrets

Lakewood, like many communities, allows the use of “safe-and-sane” fireworks approved by the State Fire Marshal on the day of July 4th only. These are fireworks that do not explode or go into the air. Their sound does not travel far. And families can enjoy them responsibly as part of a fun...and safe...July 4th celebration.

However, some people make the fateful decision each year to purchase and use fireworks that are illegal in California for personal use. These include skyrocketes and explosives...all of which are illegal in California and dangerous to use...especially in highly populated, residential neighborhoods like Lakewood.

If you're thinking of using illegal fireworks, did you know:

- Some combat veterans with Post Traumatic Stress Disorder (PTSD) can be traumatized by illegal fireworks. A Marine veteran of two tours in Iraq said he can prepare for events like the annual fireworks display his hometown puts on at a certain time. But the sudden rat-tat-tat of firecrackers set off by neighbors throughout the night transports him back to Baghdad and sets him on edge.

- Pets can also be traumatized by loud fireworks...and more pets run away from home and are lost on July 4th than on any other day.

Skyhawks Soccer Camp

Your young athlete will gain the technical skills and sport knowledge required for their next step into soccer. Areas of focus are dribbling, passing, shooting and ball control. By the end of the program your child will have learned new life skills such as teamwork and sportsmanship, made new friends and improved their soccer skills. Ages 7-12. Instructor: Skyhawks Sports Academy
